The Newark Executive Management Team will participate in the RHS plan on a mandatory basis. The mandatory contribution will consist of the one hundred dollar (\$100.00) monthly Health and Welfare Allowance. The one hundred dollar (\$100.00) monthly allowance will be automatically deferred to the RHS plan. Specifics of the plan and any additional mandatory contributions are described and available in the plan summary.

 - 1. Pick-up of Employee Contributions

VI. **RETIREMENT BENEFITS**

- A. All Management employees who were appointed prior to January 1, 2013 and all "Classic Members" (as defined by CalPERS) are referred herein either as "Classic Members" or as "Classic".
- B. The City shall continue to provide to all non-sworn Classic management employees a retirement formula known as two and one-half percent at fifty-five (2.5% at 55) together with single year highest compensation, pre-retirement optional settlement level 2 death benefit, military service credit for prior service, and the indexed level 1959 Survivor Benefit options of the CalPERS pension plan. Non-Sworn Classic Members continue to pay the eight percent (8%) employee rate for

the two and one-half percent at fifty-five formula (2.5% at 55) plus continue to pay up to three and four hundred sixty-eight thousandths percent (3.468%) of an additional contribution in accordance with the following formula for a total tax deferred contribution of eleven and four hundred sixty-eight thousandths percent (11.468%).

Non-sworn Classic members will contribute a matching percentage of salary in the form of an increase in employee contribution rate during the term of this agreement if the CalPERS Miscellaneous Plan employer actuarial rate for the two and one-half percent at fifty-five (2.5% at 55) retirement formula exceeds ten percent (10.00%) to a maximum of sixteen and nine hundred thirty-six thousandths percent (16.936%). In the event that the employer rate exceeds sixteen and nine hundred thirty-six thousandths percent (16.936%), the City shall be responsible for any increase above sixteen and nine hundred thirty-six thousandths percent (16.936%). In subsequent years of the term of the agreement, if the rate over ten percent (10.00%) decreases, non-sworn Classic members' matching percentage of salary will be reduced by the above formula. Employer rate reductions below ten percent (10.00%) will not be shared under the above formula.

The following is for illustrative purposes only:

If the CalPERS Miscellaneous Plan employer actuarial rate increases to ten percent (10.00%), each Classic non-sworn member would contribute zero (-0-) from their salary to pay for the retirement benefit. If the rate increases three percent (3.0%), each non-sworn Classic member would contribute half of the three percent (3.00%) increase, one and one-half percent (1.50%) from their salary to pay for the retirement benefit. The City would then be responsible for the matching one and one-half percent (1.50%). If the rate decreased by three percent (3.0%), the non-sworn Classic member would no longer contribute the additional one and one-half percent (1.50%) of their salary towards the employer rate to pay for the retirement benefit.

- C. The City shall provide to all non-sworn Management employees who were appointed on or after January 1, 2013 who are non-sworn PEPRAs (as defined by CalPERS) a retirement formula known as two percent at sixty-two (2% at 62) in accordance with the Public Employees' Pension Reform Act of 2013.

Non-sworn Management employees who were appointed on or after January 1, 2013 who are PEPRAs (as defined by CalPERS) will contribute half the normal cost of the two percent at sixty-two (2% at 62) plan as required by the Public Employees' Pension Reform Act of 2013.

In addition to paying the employee rate, non-sworn PEPRAs will pay the same percentage of an additional contribution as non-sworn Classic Members pay.

The following is for illustrative purposes only:

If Classic Members pay three and four hundred sixty-eight thousandths percent (3.468%) of the employer rate, PEPRAs Members will pay a total of three and four hundred sixty-eight thousandths percent (3.468%) of the employer rate. If the employee rate for PEPRAs Members is seven and seventy-five hundredths percent (7.75%), in this example PEPRAs Members would pay the seven and seventy-five hundredths percent (7.75%) employee rate plus an additional three and four hundred sixty-eight thousandths percent (3.468%) towards the employer rate for a total of eleven and two hundred eighteen thousandths percent (11.218%).

- D. The City shall provide the one (1) year highest compensation option to Classic sworn and non-sworn members. The City shall provide the three (3) year average compensation requirement to PEPRAs members as defined above.

- A. The contribution by the City toward monthly premiums for health and welfare programs of management, supervisory, and professional employees shall be the Minimum Employer Contribution as determined by CalPERS for employers under the Public Employees' Medical and Hospital Care Act (PEMHCA). A. Structure:

Management Classifications: The Management, Supervisory, and Professional Employee Group Pay Plan for management positions consists of thirty (30) salary ranges which provide an approximate spread of twenty percent (20%) between the minimum and maximum amounts and a differential of approximately five percent (5%) between the maximum of the ranges descending from the maximum amount established for Range No. thirty (30).

All management classifications will be assigned an appropriate pay grade based on salary survey data and internal relationships.

B. **Supervisory and Professional Classifications:** For supervisory and professional classifications, the Pay Plan consists of specific predetermined "salary steps". Each classification shall have five (5) salary steps, with an approximate five percent (5%) differential between each salary step.

As needed competitive marketplace studies will be made which will focus on general salary trends for groups of management, supervisory, and professional positions. Periodically, studies will more specifically include position-by-position comparisons using marketplace and internal relationship data. Depending on the results of these studies, the entire pay grade structure may be adjusted or individual positions may be reassigned to different salary ranges. Such assignment will only affect the salary administration framework. No individual salaries will be automatically changed because of structural adjustments.

C. Performance Appraisal. All management, supervisory, and professional personnel shall have their performance reviewed at least once each fiscal year, generally coinciding with the employee's anniversary date. All individual salary adjustments, including those within a salary range and those made to progress through the pre-determined salary steps, shall be based on performance and require an up-to-date performance evaluation to be considered for a salary adjustment. The performance review program provides a planned and orderly means of evaluating individual performance in relation to areas of accountability and program responsibilities. The performance review document and the salary adjustment, either within a salary range or to progress through salary steps, recommended by the department head should be forwarded to the City Manager for consideration and final approval.

D. Adjustments based on Management Range Movement. Adjustments to salary ranges may occur to reflect cost-of-living changes, labor market conditions, and parity to avoid compression with non-management, supervisory, and

professional position classifications. The City Manager may grant an upward adjustment in an individual's salary in any amount up to an amount equal to the adjustment in the salary range or the City Manager may maintain an individual salary at present level. An adjustment of individual salaries is not required by a change in the salary range to which the position is assigned except to maintain the minimum salary for the range.

- E. Meritorious Performance Adjustment for Management. An employee shall be eligible to receive one (1) merit increase per twelve (12) month period if the employee's performance is deemed to be at a satisfactory level or above. A meritorious performance adjustment would be in addition to any adjustment based on range movement. Such an increase shall be up to five percent (5%), the exact percentage being determined by the City Manager based on an evaluation of the degree of meritorious service and overall contribution to management of the City.

Salary adjustments more frequently than once each twelve (12) month period, but not more than once each six (6) month period may be approved by the City Manager for the following reasons:

1. An employee's salary is below the midpoint of the range and the employee has experienced substantial growth in their position representing an increased value to the City.
2. An employee has demonstrated outstanding performance or made an exceptional contribution to the City.

Whenever an employee receives a six (6) month meritorious performance adjustment, the employee's anniversary date will change pursuant to the Personnel Rules and Regulations.

- F. Special Adjustment for Management. The City Manager may authorize salary adjustments up to ten percent (10%) per fiscal year within the assigned salary range for the following reasons:

1. An employee's performance consistently exceeds the scope and expectations of their classification as determined by the City Manager.
2. Competitive labor market conditions warrant an adjustment.
3. An employee's overall contribution and value to the City as determined by the City Manager warrants an adjustment.

GENERAL LEAVE PLAN FOR MANAGEMENT, SUPERVISORY, AND PROFESSIONAL EMPLOYEE GROUP

I. DEFINITION

General Leave is compensated leave for those eligible employees who are absent from duty because of illness, death in the family, medical or dental care appointments, family care, personal reasons or who utilize the time off as vacation. Management Leave shall remain separate from General Leave.

II. APPLICABILITY

The General Leave Plan shall apply to regular full-time employees in the Management, Supervisory, and Professional Employee Group. Regular part-time employees in the Management, Supervisory, and Professional Group shall be eligible for prorated general leave based on actual hours worked or budgeted to work. For example, an RPT employee with one (1) year of City service who works thirty-five (35) hours per week will receive one hundred sixty-one (161) hours of general leave per year. An RPT employee with one (1) year of City service who works twenty-four (24) hours per week will receive one hundred ten and four-tenths (110.4) hours of general leave per year. If actual hours worked differ from hours budgeted to work, the lesser number of hours will be used as the basis for proration.

For payroll implementation, hours/accruals in excess of those based on a twenty (20) or thirty (30) hour workweek will be reimbursed to RPT employees on a quarterly basis until the process is automated.

When maximum accrual limits have been reached, excess General Leave credits earned shall be transferred to the Rollover Leave bank on a quarterly basis. Rollover Leave may be used in order to provide security against an employee's extended illness and may not be used for retirement service credit.

Exceptions to the maximum accrual limits may be approved by the City Manager under special circumstances. Requests to exceed maximum accrual limits must be submitted through the Department Head to the City Manager prior to reaching maximum accrual.

IV. GENERAL LEAVE IMPLEMENTATION

Unused leave credits shall be transitioned to General Leave as follows:

- A. Vacation Leave Credits: All unused vacation leave credits shall be converted to General Leave credits on an hour-for-hour basis.
- B. Sick Leave Credits: All unused sick leave credits shall be maintained in a sick leave bank to be used in accordance with the provisions of the General Leave Plan. Accrued time in the sick leave bank shall not be compensated for in any manner except as used for sick leave or retirement service credit.
- C. At time of conversion to General Leave, if vacation credits exceed General Leave accrual limit, a plan shall be developed to reduce converted vacation leave credits to the General Leave accrual limits within six (6) months. A longer period to reduce converted vacation leave credits may be approved by the City Manager under special circumstances.

V. GENERAL LEAVE USAGE

Request and Approval: Department Heads are responsible for arranging leave schedules so that adequate personnel are available to carry on city work. The use of General Leave shall require approval of the Department Head or their designee and shall be governed by the current Personnel Rules dealing with leaves unless specifically covered by this Plan document. Whenever possible, General Leave requests must be approved in advance of the days to be taken as General Leave. The procedure for requesting the use of General Leave shall be as follows:

- A. General Leave (Non-medical): Any leave that can be reasonably forecast or anticipated such as vacation, care of children, personal business, etc. shall require prior approval of the Department Head, or the employee's supervisor. The time and amount of General Leave to be taken for non- medical purposes shall be determined by the Department Head with due

regard for the wishes of the employee and particular regard for the needs of the City.

- B. General Leave (Medical): An unscheduled absence from work due to an employee's illness shall be referred to as General Leave for medical reasons. The Department Head may require an employee to furnish satisfactory evidence justifying the need to be absent from work for medical reasons. The provisions of A.R. 0513 on sick leave usage shall apply to employees using General Leave for medical reasons. The Department Head shall make the determination and final approval of unscheduled General Leave for medical reasons.
- C. An employee may request General Leave for an unanticipated absence from work (e.g. medical, car trouble, care of children, etc.) by notifying their supervisor within one (1) hour after the time set for reporting to work on the first day of such leave and as often thereafter as directed by their supervisor. Final approval for an unanticipated, unscheduled absence shall require Department Head approval. Failure to request an unscheduled leave in the manner described may result in lost work time charged as leave without pay or unauthorized leave of absence. Inappropriate use of unscheduled leave may be grounds for corrective action consistent with current practice.
- D. Any employee who is absent from work on an unscheduled leave shall not engage in work or other activities which will inhibit their ability to return to work at the earliest possible time.
- E. Medical examination by the City's examining physician may be requested by the Human Resources Department after prolonged, serious, or repetitious illness, injury, or major surgery. An employee's return to duty following illness or injury is subject to the approval of the Department Head and Human Resources Director or designees based upon medical information supplied by the employee's physician and/or the City's physician.
- F. On-the-job Injury: An employee absent from work because of a temporary disability which is defined as industrial under the Workers' Compensation Act may charge General Leave credits (or unused sick leave, if approved by the City Manager) in an amount necessary to make up the difference between the employee's regular pay and the amount payable to the employee as temporary disability payments from the Workers' Compensation Insurance Plan of the City.
- G. Use of General Leave When Permanently Incapacitated: General Leave shall not be used to continue the salary of employment of any employee after it has been determined that such employee is permanently incapacitated from returning to employment and is eligible for disability retirement.

H. Sick Leave Bank: A sick leave bank shall be established for each employee eligible for General Leave. When an employee becomes eligible for General Leave, any unused sick leave credits will be maintained in this account. Employees may transfer General Leave credits to their sick leave bank in accordance with Section VI of the General Leave Plan.

I. Use of Sick Leave Bank:

1. Upon approval of the City Manager, an employee whose absence is due to illness or injury which qualifies for Family Medical Leave Act (FMLA) or other legally-protected leave, may use unused sick leave balances for absences due to further illness or injury prior to using further General Leave.
2. Upon approval of the City Manager, an employee whose absence is due to illness or injury for more than five (5) consecutive workdays for any one occurrence may use unused sick leave balances for absences due to further illness or injury for that particular medical condition prior to further using General Leave.
3. Upon approval of the City Manager, an employee who has exhausted all General Leave credits may be granted the use of unused sick leave balances for a medical purpose. The City Manager may impose up to a five (5) workday waiting period based upon a review of the employee's General Leave usage.

VI. GENERAL LEAVE CONVERSION TO PAY

By December 1 of each calendar year, eligible employees who want to cash out general leave in the following calendar year, shall make an irrevocable election for general leave buy-back in the next calendar year, subject to the conditions set forth below:

- For regular full-time employees: the employee may elect up to eighty (80) hours of general leave buy-back.
- For regular thirty (30) to thirty-five (35) hour part-time employees: The employee may elect up to sixty (60) to (70) hours of general leave buy-back.

the time of buy-back.

- Employees must submit their General Leave Buy-Back Request Form to Payroll by the preceding December. This is an irrevocable election by the employee.

For example, to buy back general leave that is accrued in calendar year 2026, a full-time employee must elect by December 1, 2025, the amount of hours they want to buy-back. The employee must have used a minimum of fifty percent (50%) of their accrued general leave between December 1, 2024 and November 30, 2025. Employees must further ensure they will have at least ten (10) days of general leave accruals remaining at the time of the buy-back which will occur in December 2026. The buy-back will be paid out in the last full pay period of December 2026.

The City makes no representation as to the tax consequences of an employee cashing out accrued leave or the general leave buy-back program. It is the employee's sole responsibility to address the tax consequences of cashing out accrued leave or the general leave buy-back program.

VII. GENERAL LEAVE AT TERMINATION

- A. An eligible employee whose employment with the City terminates shall be paid for any unused General Leave. Payment for unused General Leave shall be made at the hourly rate of pay in effect for such employee at the time of separation.
- B. When termination is caused by the death of an employee, pay for unused General Leave shall be paid to the beneficiary the employee has designated. Such designation shall be in writing, signed by the employee and filed with the Human Resources Department. In the event an employee has not designated a beneficiary, the payment shall be made to the estate of the employee.

VIII. HOLIDAYS DURING GENERAL LEAVE

When a day designated and observed by the City as a holiday occurs on a day on which an employee is taking General Leave, such employee shall not be charged as using General Leave for that day. The employee's compensation for that day shall be holiday pay
