COMPREHENSIVE UPDATE TO THE NEWARK TRANSITION PLAN  
RFP ADDENDUM NO 1- RESPONSE TO QUESTIONS

1. Question: Section 4.03. SPILL AND DISCHARGE RESPONSE - Regarding *spill and discharge response responsibilities* – do you expect the contractor to perform the actual field cleanup of any spills or just provide administrative and project management support as outlined in the RFP?

Answer: The contractor is expected to provide administrative and project management support.

2. Does the proposal need to include all three tasks C.3, C.4 to and C.5, or can the proposer choose one or two?

Answer: The proposer may choose to respond to one, two, or all three tasks.
